

# Student Dictations

---

This dictation was designed to focus on a particular set of vocabulary words: controversial, advertisement, nun, enhance, consumer, habitat. You can design your own exercise to focus on other vocabulary or a language structure. Keep the Master Copy for checking answers.

## Master Copy

1. It was a controversial decision that not everyone liked.
2. After seeing the advertisement, I want to buy the new sports car.
3. The other day I saw a nun praying in the hall. What was going on?
4. I think we can enhance our lessons if we use more games.
5. I think the school needs to do more to help its consumers.
6. I didn't know that Connecticut is a habitat for sea turtles.

## Version A

*Read your sentences to your partner. Be sure to speak clearly and answer their questions. Then, listen as your partner reads their sentences to you. Write them down. Ask questions if you need help understanding.*

1. It was a controversial decision that not everyone liked.
