

To be or not to be, which one is best? For stopping our suffering and bringing us rest From this hell on earth? The choice should be plain. But what if in death, it all starts again?

And gets worse without end? Now that would just suck! In a choice of the two, it comes down to luck.

HAMLET

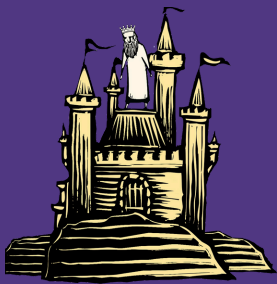

PAUL LEONARD MURRAY

with help from

WILLIAM SHAKESPEARE

**A fresh, funny
twist perfect for
modern
audiences**

“These playful but
entirely respectful
adaptations stay true to
the soul of the original
plays while making them
easily accessible to the
uninitiated.”

— Dean Devlin
