

"The play which always fails to please, the poor unfortunate Pericles. But before you stand and leave your seat, I have to say our play's a feat of editing and daring-do to bring only the best to you!"

WILLIAM SHAKESPEARE

**The best  
adaptation of  
the worst play  
Shakespeare  
never wrote!**

meets Shakespeare,  
with all the joy of  
the former meshed  
with all the intrigue  
of the latter. —
